

**Survival Rate for people over 55 in tumor grade 1,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 2,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 3,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 1,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 2,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 3,
stratified by menopause**

**Survival Rate for people over 55 in tumor grade 2,
stratified by Progesterone Receptor**

**Survival Rate for people over 55 in tumor grade 3,
stratified by Progesterone Receptor**

**Survival Rate for people over 55 in tumor grade 2,
stratified by Estrogen Receptor**

**Survival Rate people over 55 in tumor grade 3,
stratified by Estrogen Receptor**

**Survival Rate for people over 55 in tumor grade 2,
stratified by Progesterone Receptor**

**Survival Rate for people over 55 in tumor grade 3,
stratified by Progesterone Receptor**

**Survival Rate for people over 55 in tumor grade 2,
stratified by Estrogen Receptor**

**Survival Rate for people over 55 in tumor grade 3,
stratified by Estrogen Receptor**

Survival Rate for women over 55 in tumor size 2 and lower receptors, stratified by hormone

Survival Rate for women over 55 in tumor size 2 and middle receptors, stratified by hormone

Survival Rate for women over 55 in tumor size 3 and lower receptors, stratified by hormone

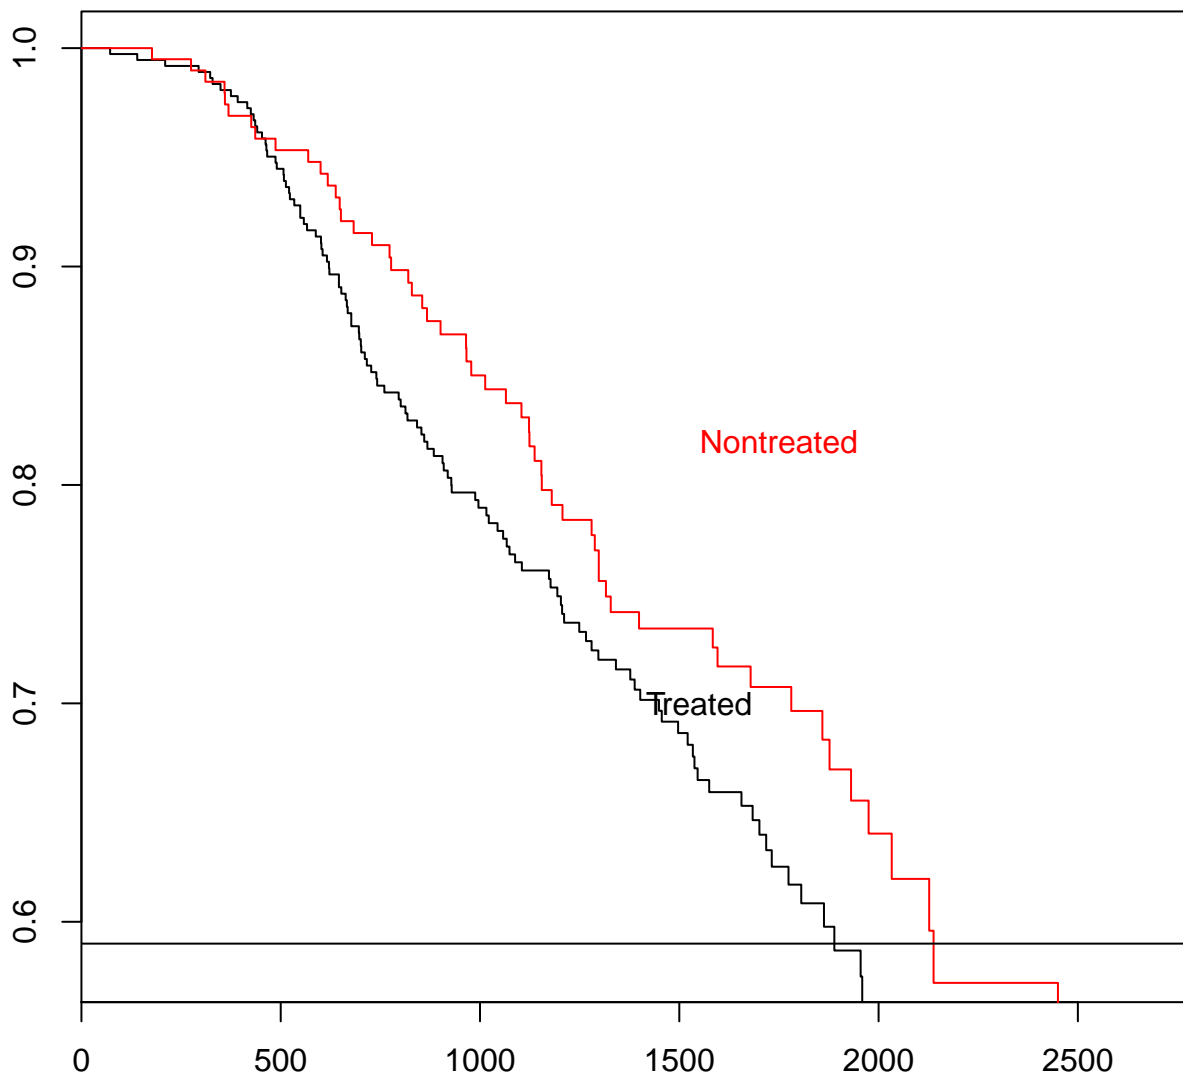

**Survival Rate for women under 45 in tumor size 3
and lower receptors, stratified by hormone**

Survival Rate for women over 55 in tumor size 2 and lower receptors, stratified by hormone

**Survival Rate for women over 55 in tumor size 2
and middle receptors, stratified by hormone**

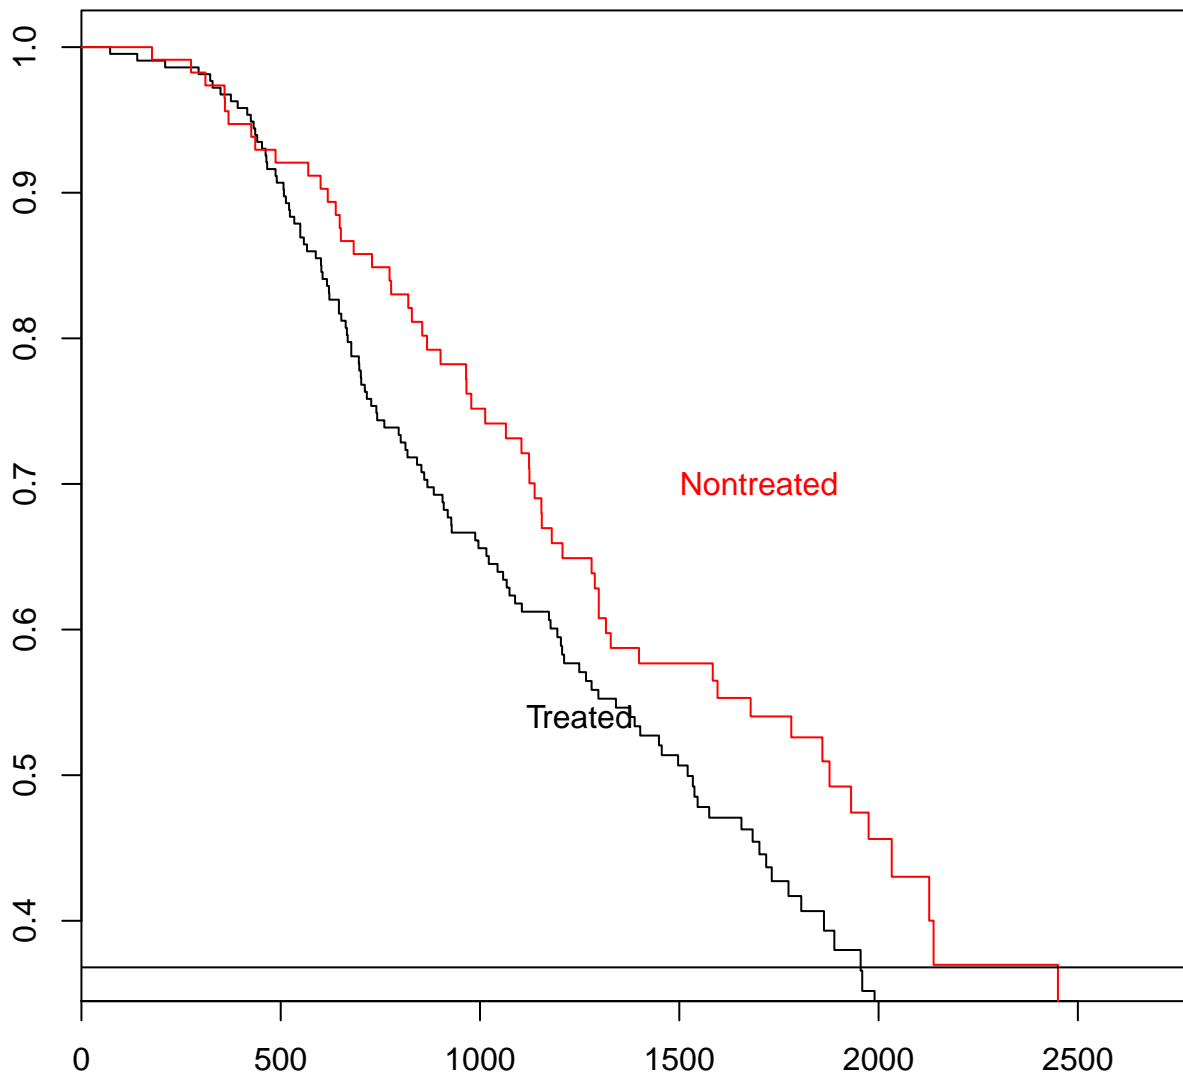

Survival Rate for women over 55 in tumor size 2 and lower receptors, stratified by hormone

**Survival Rate for women under 45 in tumor size 3
and lower receptors, stratified by hormone**

Survival Rate for women over 55 in tumor grade 2 and lower receptors, stratified by hormone

**Survival Rate for women over 55 in tumor grade 2
and middle receptors, stratified by hormone**

**Survival Rate for women over 55 in tumor grade 3
and lower receptors, stratified by hormone**

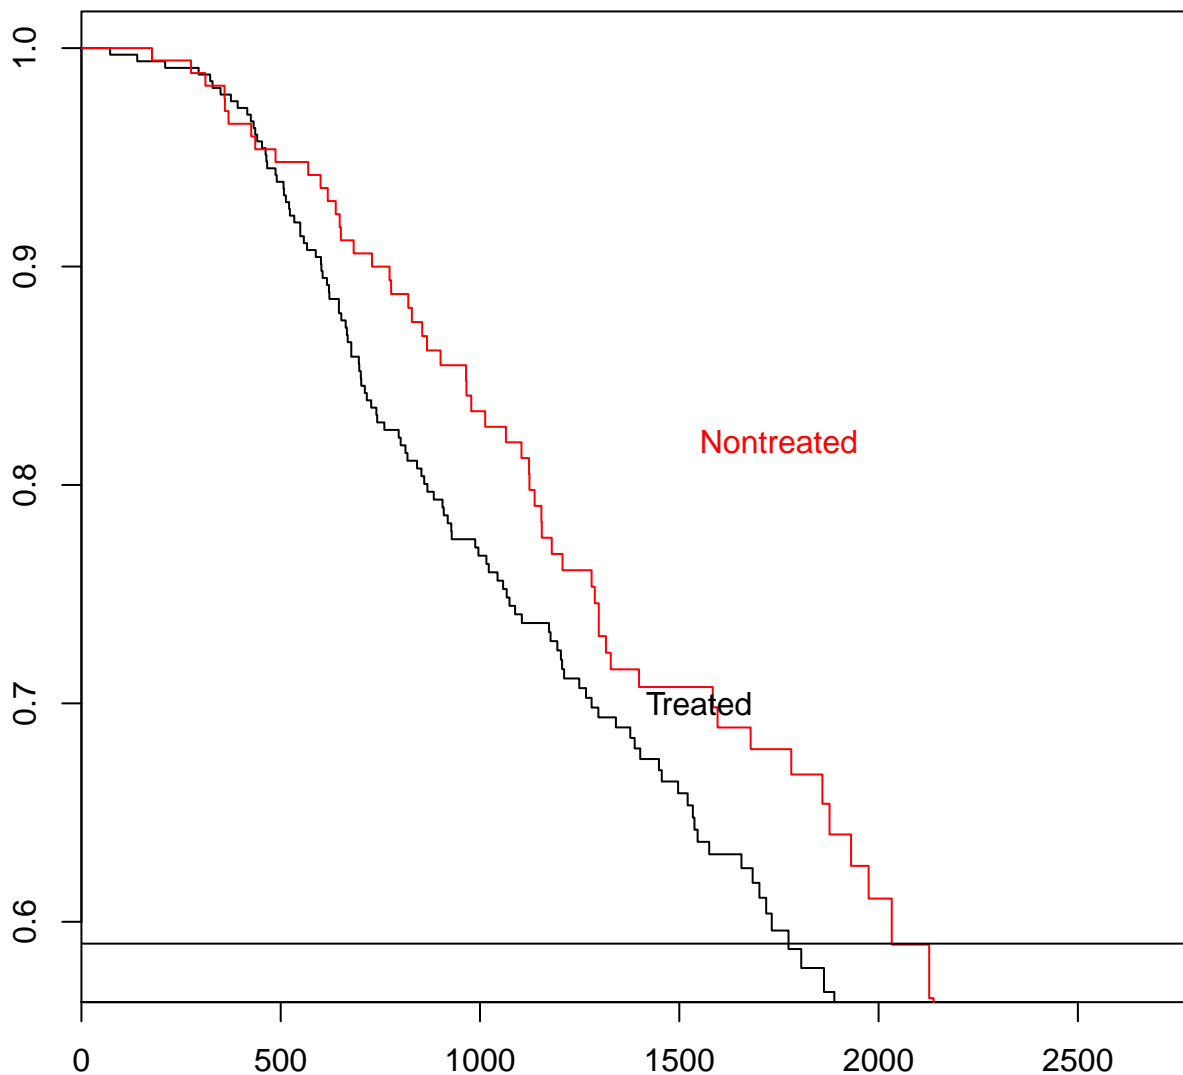

Survival Rate for women under 45 in tumor grade 3 and lower receptors, stratified by hormone

Survival Rate for women over 55 in tumor grade 2 and lower receptors, stratified by hormone

**Survival Rate for women over 55 in tumor grade 2
and middle receptors, stratified by hormone**

Survival Rate for women over 55 in tumor grade 2 and lower receptors, stratified by hormone

Survival Rate for women under 45 in tumor grade 3 and lower receptors, stratified by hormone
